**APPROVE PURCHASE AND INSTALLATION OF SECOND
SLIDE FROM WHITEWATER WEST INDUSTRIES AND
CALIFORNIA COMMERCIAL POOLS FOR AQUATICS

- 3.) Approve purchase order to California Commercial Pools in the amount of \$39,450 for the associated pump, electrical and plumbing of the second slide at the Aquatics Center.

EXECUTIVE SUMMARY: The original March 23rd, 2005 Staff Report indicated that additional information would be presented at the meeting. This supplemental report and the attached proposals comprise that additional information.

FISCAL IMPACT: A total of \$600,000 was appropriated by Council on February 16, 2005 to fund this and other Aquatics Center improvements.
